

## UPCOMING 2010 SOCCER SEASON FROM DANNY VAN GYLSWYK GORGE SOCCER ASSOCIATION HEAD COACH

### TO ALL GORGE PARENTS AND PLAYERS,

Welcome to another season of SOCCER! The Gorge Club plans on getting things started a little bit earlier this year as far as our Academy and new program of Futsol.

These early years for your young players are so important to develop the basic fundamental skills needed to enjoy this fast paced game. I am looking for boys and girls who have the passion to play, learn and most importantly have fun.

I am excited to welcome Joe Ventura, someone that brings a high level of coaching and playing experience, to assist with both programs this year.

Please register early to avoid disappointment. Registration forms are available at the Gorge Clubhouse and online at [www.gorgesoccer.ca](http://www.gorgesoccer.ca). Any questions can be directed to myself at [dannyvan@shaw.ca](mailto:dannyvan@shaw.ca).

### ACADEMY

I encourage all keeners to participate as the extra practice with high level players and coaches will only enhance the game knowledge and skills of young players. The cost for 10 weeks will be \$40, which will include an Academy jersey.

The Academy will start;

Wednesday September 29, 2010.

Minis (U-8 /U-9) 5:00pm to 6:00pm inside at Pearkes

Juniors (U-10/U-11) 6:00pm to 7:00pm inside at Pearkes

Sunday October 3, 2010

Seniors (U-12/U-13/U-14) 9:30am to 10:45am and 10:45am to 12:00 noon

### FUTSOL

Futsol is an indoor soccer game played within lines and with a ball that has very little bounce. The passing and dribbling skills in this fast passed game are second to none. 60 Gorge Youth played last year and all had a great time. The cost for 10 weeks will be \$60.

During Christmas break I will be attempting to arrange a Futsol Tournament with kids from Nanaimo.

Minis and Juniors will play on Mondays from 6:00pm to 8:00pm

Seniors will play Wednesdays from 6:00pm to 8:00pm
